VENUE OF THE COMPETITION

The festival is held in the “Zhastar” sports complex, on the territory of the “Shakhter” stadium, address: Kazakhstanskaya str.,1, Karaganda.

Approximate travel time by car from the railway station is 10 min.

SUBMISSION OF THE APPLICATION

Submission of applications for participation is carried out on the website of the festival **www.roboland.kz** from February 1 to March 15, 2018. After this period, verification of the participants' database will be carried out. We ask you to enter all the data carefully and correctly, as these will automatically be uploaded into protocols, diplomas and certificates. If you notice inaccuracies when submitting an application, write to the organizers **roboland.kz@gmail.com**.

Please note that one member can only play for one team in one category. If on the filing stage one participant was included in the competition more than one category, then during the final registration for the second or subsequent category, this participant will be blocked and the team will not be able to take part in further competitions.

If you did not have time to apply for the competition in a timely manner, and the category you have chosen is not on the list completely filled, write to the organizers and we will consider the possibility of your participation.

MEETING AT THE AIRPORT, AT THE RAILWAY OR BUS STATION

The participants of the competitions, representing the Karaganda oblast, arrive to the place of accommodation independently. All organizational issues must be agreed in advance with the education department of oblast, city or regional education department or the administration of the education organization, club, center, etc.

Competitors from other regions of Kazakhstan and other countries are provided with the support of volunteers. If you have not been contacted in advance, at least three days before arrival, write to the organizers and indicate all your contact details. We will pass this information on to your volunteers.

Volunteers meet participants at the railway or bus station, help to get to the place of accommodation. In addition, delivery for breakfast, lunch and dinner will be arranged if necessary. Each team of volunteers independently determines the format and possibility of organizing a cultural program during their stay in Karaganda.

Teams arriving at the airport must provide their flight information to the organizers of the festival by e-mail. In case of timely notification, we will arrange your meeting at the airport.

We ask the teams that independently manage the arrival, accommodation and meals issues, to arrive in time to the place of the competition, and if there are any questions, contact the organizers.

ACCOMMODATION

Organizers on request provide a list of hotels for possible accommodation of participants. Besides, additional inexpensive placements are being prepared, which will be offered to the participants. Write to our e-mail or contact the volunteers if you do not receive information on accommodation in advance.

TRANSFERS

All teams that will be centrally located will be provided with a transfer from the place of accommodation to the “Zhastar” sports complex and back according to the schedule and route determined by the organizers.

For all participants of the competition will be provided a transfer for lunch at the organizers designated food points.

REGISTRATION FOR COMPETITIONS

Upon arrival at the festival, participants must register for the competition by presenting the QR code received when submitting the application on the site. QR code can be provided in print, on a mobile phone or tablet.

Participants and their representatives must have ID documents and enrollment certificate with the form indication with them.

The check-in procedure takes place all day long on the March 30-31 before starting of the corresponding competitions.

March 30 from 8.00 till 9.00 for following categories:

FirstTechChallenge, Roboland-Kazakhstan, STEM ROBOT MOUSE, VEX IQ ChallengeRingmaster, Virtual reality, Puzzles, Sumo mechanical, Dancing, Creative category A, Creative category B.

March 30 from 14.00 till 15.00 for following categories:

FirstLegoLeagueJunior, FirstLegoLeague, Labyrinth, Bots, Collect the robot, Sumo Intellectual A, Sumo Intellectual B, Soccer of the controlled robots.

VEX Robotics Competition in Zone, Engineers of the future 3D, Kegelling for beginners, Polygon of water robots, Maneuvering of controlled quadrocopters, Rally ABSOLUTE, Beginners following the line.

March 31 from 13.00 till 14.00 for the following categories:

Kegelling-kvadro X2, Quadral A / B kegelling, Sumo GRAND, Following the line for the continuing A, B, Football of autonomous robots.

THE TEAM IS REGISTERED BY THE TEAM LEADER.

Participants in the FTC category must submit engineering books on the day of arrival on March 29 from 16.00 till 18.00 at the "Zhastar" Sports Complex.

BUSINESS TRAVEL AUTHORIZATION FORMS

Business travel authorization forms are marked in the section "Organizers" on the far platform from the entrance of the sports complex.

LUNCHES, MEALS

Lunch for participants of the competition will be organized in nearby dining rooms. The participants will be transported to the place of lunch and back to the place of the competition by buses that will move along the route at certain intervals. The schedule of buses will be given to the teams, as well as placed on the information desk at the turn to the sports complex. The cost of lunch is about 500 KZT.

In the premises of the sports complex you can buy snacks, hot and cold drinks.

LUGGAGE STORAGE, WARDROBE

In the sports complex there will be several wardrobe points where you can put clothes and shoes. Keep the numbers carefully. The organizers are not responsible for the things left unattended, but will take all measures to exclude cases of loss of festival participants property.

At the same time, it should be taken into account that a large number of participants, visitors and guests will be at the same time in the sports complex. Finding the immediately forgotten thing will be quite difficult. In case of loss, please contact the organizers.

To store laptops and sets of robotics will be organized a separate storage room. Ask the attendants about its location.

SOUVENIRS

Each participant and representative of the team will receive small souvenirs about the festival. In addition, you can buy national souvenirs at the kiosk in the competition hall.

AWARDING OF WINNERS, LETTERS AND CERTIFICATES

Awarding of participants of competitions will be held several times in day according to the program of festival on the central platform before the LED-screen.

Certificates to competitors will be issued at the end of each category of competition.

Winning teams receive a special cup. Each member of the winning team receives a diploma and a medal of the appropriate category, as well as a valuable gift.

Representatives of the teams-winners receive special certificates.

Sponsors of the festival can also provide special prizes and letters.

DEPARTURE OF PARTICIPANTS

We ask you to manage in advance the issues of your transfer to the railway or bus station with your volunteers.
